STORY

Fancy Restaurant

Bluey and Bingo know all about fancy food and romance.

1 One day, Dad is being a total grub, clipping his toenails on the couch next to Mum. "Charming," she sighs. Bluey and Bingo decide to teach Dad some romance so that Mum will smoochy kiss him. (They learnt all about romance from TV!)

We can set up the restaurant.

The FANCY restaurant!

2 So the kids set up a fancy restaurant, but Dad doesn't think he needs any teaching. "I'll show you a thing or two about romance," he tells Mum.

Welcome to the Fancy Restaurant.

The name is Romeo McFlourish.

Smooth, Romeo.

3

"I have, of course, taken you to the fanciest restaurant in town," Romeo (that's Dad!) tells his date (Mum). Chef Bingo bangs their dinner on the table. "Baked beans!" she announces.

Have they smoochy kissed yet?

No, not yet.

Oh dear.

4

But baked beans aren't very romance, so Romeo heads to the kitchen to tell Bluey and Chef Bingo to make something else... "Something special!" Bingo says. "Leave it to us. Now go and do a smoochy kiss," Bluey tells Romeo.

STRUM.

HONK!

beep.

IT'S... LOVELY...

While Romeo and his date wait for their meal, Bluey plays some romance music.

5

Romeo's date nips to the bathroom. "It's just in that corner next to the bookshelf," says Bluey, then turns to Romeo. "Why haven't you smoochy kissed her yet? You need to be more romance!" "I'm trying! I think I've just forgotten my moves. I guess it has been a while," Romeo says.

Toughen up, Romeo. We wanna see a smoochy kiss!

6

meanwhile...

Bingo is making a reeeally special meal out of real food. "Wow! So beautiful," Bluey gasps.

But in the restaurant, the mood isn't very romance. "There's no romance coming, is there?" Romeo's date says. "I'm sorry. I may have forgotten how to be romance," Romeo replies. "I have too. It's not easy when you're tired all the time," his date says.

"YEAH, AND WHEN YOU GET INTERRUPTED EVERY FIVE..."

...“Dinner
is served!”

“Our chef made this especially for you,” Bluey tells Romeo’s date, serving her the special food, and Romeo some baked beans.

“Wow... that... is... special...” she says, and pretends to eat it. “You have to eat it for real life.

You don’t think it’s special?!” Chef Bingo says sadly. “Um, er, um...,” she mumbles.

“I know this isn’t very romantic, but can we swap? Yours looks delicious,” Romeo says to his date.

You have to
finish it.

8

Mum smiles at Dad as he tucks into the goopy plate of food, coughing between every spoonful. Bluey asks if they would like dessert. “NO!” Mum replies. “I mean, this was such a special evening. I feel like taking a moonlit stroll with my new love.”

BLEURGH!

“Well, they didn’t smoochy kiss, but she is rubbing his back,” Bluey tells Bingo, watching Mum and Dad in the backyard. “Yeah, that’s still romance,” Bingo replies. “Yeah,” Bluey agrees.

FOR REAL LIFE!

Play this game outside with a friend or you can play indoors too – just scatter some cushions on the floor and pretend they're stepping stones.

MARKETS

Make your very own markets...
complete with a pooping Buttermilk. Ewwww!

YOU WILL NEED:

- big and small boxes from your recycling box
- cardboard rolls
- paper straws
- scissors
- sticky tape & glue
- paint
- a grown-up to help you

TOP TIP

Make the perfect spot for your market bits and bobs – just cut down the sides of a box and pop everything inside.

FOOD STALLS

Paint your little boxes with bright colours. Once dry, snip out little windows and stick on the stall signs.

STAGE

Snip a long box (like a toothpaste box) to make 2 speakers, and stick them to straws. Tape them to another small box, then paint them all black. Hang the stage lights from the speakers and add your musician!

EXTRAS

Add accessories like a pie tin sun umbrella and more stalls with windows that can open and shut. And how about some box hay bales? Just wrap small boxes in yellow paper.

BUTTERMILK

Grab a grown-up to help you cut 2 out of 3 cardboard rolls in half.

Stick these rolls together to make Buttermilk's body and legs. Then, snip out the bits and bobs opposite and stick them on.

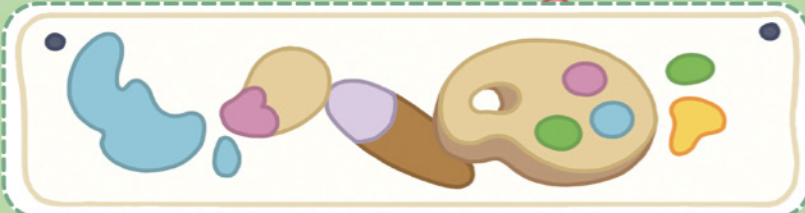

Finally, stick the pony poop to a strip of paper and slide it through and out of Buttermilk's bum. Ewww!
